April 14, 2026

Dear Stakeholders of Many Farms High School,

Due to ongoing construction, Many Farms High School (MFHS) wishes to notify the community of the following changes that will be implemented.

- Monday, April 20, 2026, Short Drive will be closed; all traffic will be rerouted through Circle Drive. Security personnel from Many Farms High School will be available at Circle Drive to assist with directing traffic beginning at 7:00 AM on April 20.
- Monday, May 4, 2026, Lake View Drive (Main Street) will be closed from Park Avenue to Circle Drive, requiring all vehicles to use Birch Avenue or Ash Avenue to Pine Street to reach Circle Drive. School security staff will be present at Birch Avenue starting at 7:00 AM to guide traffic accordingly.

We encourage MFHS students to utilize MFHS buses to help reduce traffic congestion, wait times, and potential bottlenecks during peak hours (7:15–8:15 AM and 3:30–4:15 PM). Please observe posted speed limits while traveling through residential areas. Your cooperation is appreciated as we strive for a safe conclusion to the 2025–2026 school year. Do not hesitate to forward questions or concerns to louise.donald@bie.edu or (928) 250-1812.

Sincerely,

A handwritten signature in black ink that reads "Louise R. Donald".

Louise Donald
