Dear Many Farms High School Community,

We are pleased to welcome students back for in-person learning on Monday, November 9, 2026. From Monday through Friday, we will follow the Friday schedule (8am to 140pm). Although our residential facilities will remain closed, residential staff will provide daily transportation for students in the Ganado, Pinon, and Navajo, New Mexico areas. Transportation Services will also continue operating regular routes.

To help keep everyone comfortable, space heaters will be used across campus. Winter sports practices will continue, and wrestling practice & 21st CCLC will begin on Monday, November 09, 2026. Transportation will be available for afterschool activities.

Food Services will continue providing breakfast and lunch each day. Cold food items will be served while the kitchen appliances are converted from natural gas to propane. As soon as the conversion is complete, we look forward to serving hot entrées for both meals.

Traffic route update. MFHS traffic will utilize Loop Drive beginning Monday, November 06, 2026.

Thank you for your patience, understanding, and continued support as we welcome students back to campus. If you have any questions or concerns, please contact Ms. Louise Donald, Principal, at louise.donald@bie.edu, or Mr. Roland James, Facility Specialist, at roland.james@bie.edu.

Warmly,

Louise R. Donald

Louise Donald, Principal
